27–30 January 2025
Gujarat, India

In collaboration with the Ministry of Youth Affairs & Sports

Bharat Centre of Olympic Research & Education (BCORE)
Rashtriya Raksha University

Our Partners

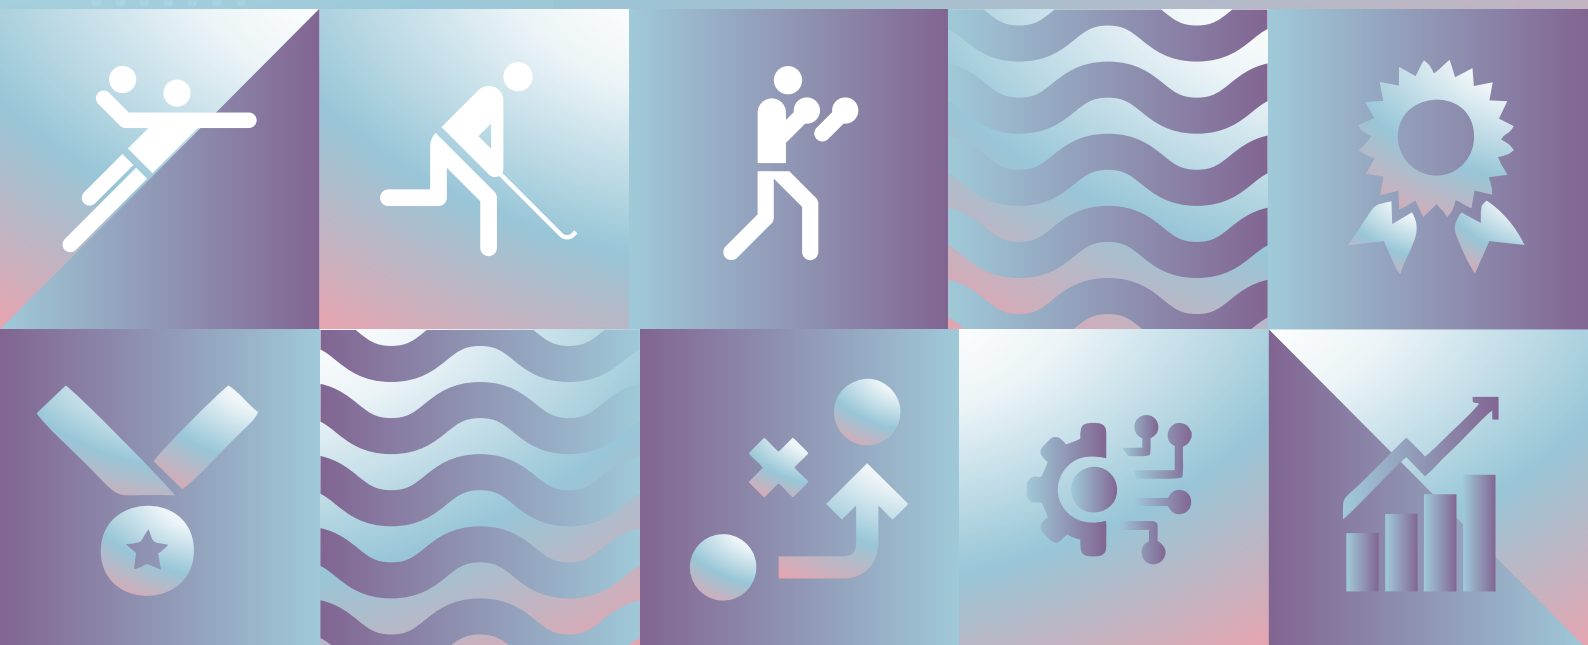

Knowledge Partner:

Strategic Partner:

Innovation and Technology Partner:

Concept Note

The 1st edition of International Olympic Research Conference organized by BCORE aims to provide a global platform for knowledge exchange, research presentation, and collaborative learning in the field of Olympics and Olympic studies. This inaugural edition seeks to bring together leading researchers, experts, and practitioners from around the world to foster academic discourse and promote innovative practices in Olympic research and education.

Key Features

Expert-led Sessions:

Renowned researchers and experts in Olympic studies will deliver lectures, sessions, and facilitate discussions on current trends, challenges, and opportunities in the field.

Research Presentations:

Members of the Olympic Studies Research Centre (OSRC), National Olympic Committees and other delegates /scholars /academicians will have the opportunity to present their research findings and ongoing projects to a diverse, international audience.

Global Participation:

BCORE welcomes attendees from India and around the globe, fostering international collaboration and knowledge sharing.

Comprehensive Hosting:

BCORE will provide accommodation for OSRC and NOC members, and facilitate accommodations at a nominal cost for all the other participants.

Cultural Immersion:

Participants will enjoy a guided tour of the heritage city of Ahmedabad and Statue of Unity offering insights into Indian culture and history.

Industry Exposure:

Attendees will have the unique opportunity to network and collaborate with industry experts, and entrepreneurs.
