Concept Note

The International Olympic Research Academy (ORA) aims to create a global platform for knowledge exchange, research presentation, and collaborative learning in the field of Olympics and Olympic studies. This inaugural edition seeks to bring together leading researchers, experts, and practitioners from around the world to foster academic discourse and promote innovative practices in Olympic research and education.

Key Features:

Expert-led Sessions: Renowned researchers and experts in Olympic studies will deliver lectures, conduct workshops, and facilitate discussions on current trends, challenges, and opportunities in the field.

Research Presentations: Members of the Olympic Studies Research Centre (OSRC) will have the opportunity to present their research findings and ongoing projects to a diverse, international audience.

Global Participation: The academy welcomes attendees from India and around the globe, fostering international collaboration and knowledge sharing.

Comprehensive Hosting: BCORE will facilitate accommodation and local support for all participants throughout the academy.

Cultural Immersion: Participants will enjoy a guided tour of the heritage city of Ahmedabad, offering insights into Indian culture and history.

Industry Exposure: Attendees will have the unique opportunity to visit the Statue of Unity and Vibrant Gujarat Global Summit, India's premier event for collaboration and idea exchange across various sectors.

Call for Abstract

BCORE cordially invites abstracts for presentation at its International Olympic Research Academy at Rashtriya Raksha University. The academy provides a dynamic platform for stakeholders to share insights in Olympic studies and management. Submissions addressing hosting and organizing, Olympic education, sustainable development, and technological innovation are particularly welcomed. Early career researchers are encouraged to participate. Please submit abstracts to bcore@rru.ac.in Last Date- 30th December, 2024. Submission guidelines are available on [bcore](http://bcore.rru.ac.in).
