

Bharat Centre of Olympic Research and Education

Olympic Research Grant

The Bharat Centre of Olympic Research & Education (BCORE) aims to support Master's and PhD scholars in India and South Asia conducting Olympic specific research that aligns with India's Olympic vision. This includes studies on Olympic bidding, economic impact, infrastructure development, sustainability in sports, Mega-event security, Technology and Management in the Olympics, Olympic value education and its impact and other allied areas pertaining to India's Olympic goals.

The specific objectives of the programme are:

1. To support high quality independent research in the field of Olympic studies and allied areas.
2. To promote academic research that informs Olympic strategies, policymaking, and institutional reforms;
3. To contribute to the development of elaboration of new theoretical or methodological approaches to research in Olympic studies and allied areas;
4. To develop a network of young scholars contributing to the academic and practical discourse on Olympic values and development;
5. To promote analysis of Olympic bidding, economic impact, infrastructure development, sustainability in sports, Mega-event security, Technology and Management in the Olympics, Olympic values, Olympic education and its impact and other allied areas pertaining to India's Olympic movement.

Eligibility

- a. Be Indian or South Asian citizens pursuing a full-time regular PhD or Master's degree in a recognized university.
- b. Conduct research specifically related to the Olympic movement, Olympic bidding, economic impacts, policy implications, or related topics (refer to the introduction part for more details).
- c. Demonstrate the relevance of their research to India's Olympic goals.
- d. Have an approved research proposal or ongoing research from a recognized Indian or foreign university with substantial progress.
- e. Researchers at their early stages are encouraged to apply.

How to apply

Complete the BCORE Olympic Research Grant Application Form (available for download at bcore.rru.ac.in) and submit it along with your CV and a research proposal summary or course description (300–500 words) via email to bcore@rru.ac.in
Email Subject: *Applicant – Olympic Research Grant – [Your Full Name]*

Review & Selection

1. Applications will be reviewed by the selection committee comprising experts in sports policy, economics, and Olympic studies.
2. Shortlisted candidates may be required to present their research to the committee.
3. Selection is based on research relevance, impact, and feasibility.

Grant Disbursement

1. Selected scholars will receive the disbursement in 2 phases.
2. First disbursement post selection, and second after submitting the proof of publication.
3. Disbursement is subject to the final report shall be submitted upon completion of the project or upon request by the Selection or Scientific Committee, verification of documents and research progress.

Entitlements

1. Selected candidates will be given access to national and international resources from BCORE.
2. Access to the physical and virtual library of BCORE.
3. Access to BCORE's Human Performance Lab for testing, analysis, and collaborative research.
4. BCORE can help in data collection, networking and facilitate the research on request.
5. Eligible scholars may be invited to present their work at BCORE conferences, policy forums, or Olympic education seminars.
6. Upon successful project completion, awardees will receive a Certificate of Research Recognition from BCORE.

Obligations of Grant Recipients

1. The Copyright of the manuscript of the final report will rest with the BCORE. The BCORE reserves all rights to publish the fellowship report funded by it, provided the work is recommended for publication by Expert/Experts. The scholars can get it published themselves only after seeking permission from BCORE.
2. The scholar shall acknowledge BCORE's support in all publications resulting from the research output of the fellowship.
3. Grant recipients are required to submit a progress report every three months throughout the duration of the grant. Depending on the nature and status of the research, BCORE may decide to extend the grant period.
4. Provide the final report upon completion or when asked by the selection/scientific committee.

Monitoring and Compliance

Research undertaken by a scholar will be monitored through the submission of periodic progress reports, accompanied by the final audited Statement of Accounts and Utilization Certificate in the prescribed formats. These documents will be subject to verification and approval by BCORE. The project may be discontinued/terminated if research progress is found unsatisfactory or if any BCORE rules are violated. In such cases, the entire amount must be refunded with a 10% penal interest.

Applicants currently receiving any other research grants, scholarships, or financial assistance related to the same or similar research topic must disclose these details during the application process. BCORE will assess potential overlaps to avoid duplication of funding and ensure clarity in intellectual property and publication rights.

Preference may be given to applicants who are not receiving any other major research funding. However, applicants with other grants may still be considered if they can demonstrate that the BCORE grant addresses a distinct component of their research.

Awardees must ensure that all research outputs, presentations, and publications acknowledge BCORE's support appropriately, and must comply with any publication or confidentiality guidelines issued by the Centre.

The scholar/awardee must acknowledge the support of BCORE in all their publications resulting from the project output, such as Research Papers, Journal Articles, and Articles in edited Books, etc., and they must submit a copy of the same to BCORE during the course of or after completion of the project.

The BCORE reserves the right to change the affiliating institute if it is found that the affiliating institute is not cooperating with the scholar and it is not facilitating timely completion of the study.

Final report submitted by the scholar is mandatorily evaluated by an Expert appointed by the BCORE before considering the release of the final instalment.

The scholar shall be personally responsible for the timely completion of the Project. BCORE reserves the right to audit and review the research at any stage.

If the Scholar fails to utilize the grant for the purpose for which the same has been sanctioned/or fails to submit the audited statement of expenditure within the stipulated period, he/she will be required to refund the amount of the grant with interest thereon @ 10% per annum. Misuse of the funds or entitlements may result in legal action and repayment obligations.

For further details, applicants can contact
BCORE Grants Team at bcore.office@gmail.com or visit <https://bcore.rru.ac.in/>
